

Dental Group
Meriden-Wallingford
We Cater to Cowards

Do you worry that you can't afford expert dental care for your family? The uninsured, seniors and patients over their insurance maximums shouldn't be forced to suffer or endure poor oral health.

Dental Discount Services (DDS) helps dental patients that are under insured or uninsured. For a small start up fee, dental care is available at reduced rates. DDS combines affordable dental care along with interest-free financing.
